Hi Bob,

I will be glad to put this together for you. I remember it from last year, but I will give you a call or email if I have any questions.

Have a good morning!

Melody

Subject: Delta Shipyard (06GC) -- Mapping Request

Jeff,

Please illustrate and overlay the outside boundary lines of the 68.640 acre tract of land onto the historical boundary lines of the Delta Shipyard property as illustrated on the 2nd attached file.

1st attached file is a copy of a recorded deed for the sale of a 68.640 acre tract of land. In this file the property is described on pages 1 and 2 and illustrated on page 8.

2nd attached file is a copy of map you had prepared that identifies historical boundary lines of the Delta Shipyard property.

3rd attached file is copy of an old map survey of the Site area. The map illustrates the Site's southwestern edge is bounded by Bayou La Carpe. The map also illustrates the Site's eastern side is bounded by what is described as the "existing slip."
